Ref. No. RFCL/C&P/HDPE/PQ/2022

Date: 13.04.2022

Subject: PRE-QUALIFICATION OF MANUFACTURERS OF HDPE BAGS FOR PROCUREMENT OF HDPE BAGS THROUGH E-TENDERING & REVERSE AUCTIONING.
Year- 2022.

Ramagundam Fertilizers And Chemicals Limited (RFCL), a Single-Unit Company (A JV of EIL, NFL, FCIL & Govt. of Telangana) procures around 2.60 crore HDPE bags annually for packing of Urea and other industrial products. RFCL intends to draw a comprehensive list of pre-qualified manufacturers of HDPE bags. The pre-qualified vendors would be eligible for participating in the tenders to be invited by RFCL subsequently for procurement of HDPE bags through e-tendering and Reverse Auctioning.

Applications are invited in prescribed performa from manufacturers of HDPE bags for pre-qualification. The performa can be downloaded from our website. <https://www.rfcl.co.in>

The last date for submission of applications complete in all respects along with various documents is **12.05.2022 at: 3.00 PM.** Application received after this date or incomplete applications for any reason whatsoever may not be considered. Fax/telegraphic /email applications will not be accepted. Furnishing false/incomplete information or submitting applications not accompanied by required documents shall lead to summarily rejection of the application.

In the event of short / missing documents, a maximum of two (2) chances shall be provided to each applicant(s) to submit their responses.

RFCL reserves the right to reject any or all the applications or withdraw this invitation without assigning any reason thereof. Decision of RFCL in the matter shall be final and no correspondence shall be entertained from the applicants subsequently. RFCL has the liberty to include or delete vendors based on their performance, proven capability and for any other reason thereof.

Manager (Contracts & Procurement)

RAMAGUNDAM FERTILIZERS AND CHEMICALS LIMITED,
(CORPORATE OFFICE, NOIDA)

Notice No. RFCL/C&P/HDPE/PQ/2022
Dated: 13.04.2022

FOR PRE-QUALIFICATION OF MANUFACTURERS OF HDPE BAGS

SPECIAL INSTRUCTIONS TO APPLICANTS

The performa to be filled by prospective supplier and other information to be submitted is as under:

- 1.0 Closing date & Time : **12.05.2022 at 3.00 PM**
- 2.0 Application to be submitted to : Manager (Contracts & Procurement),
Ramagundam Fertilizers And
Chemicals Limited
4th Floor, KRIBHCO Bhawan, Sector-
1, Noida-201301,
Distt. Gautam Budh Nagar (U.P)
- 3.0 All application should be submitted in sealed cover duly prescribed as "APPLICATION FOR PREQUALIFICATION FOR SUPPLY OF HDPE Bags". The following documents should be submitted along with the application:
- (i) Signed copies of complete document. Each page of the document should be signed by applicant.
- (ii) Bankers report issued by the Scheduled/Nationalized Bank in original in sealed cover, giving applicant's financial status specifically bringing out the following: -
- a) Solvency Certificate having minimum solvency of **Rs 25.0 lakh** issued within six months from the date of submission of application.
- b) Average monthly financial transaction.
- c) Over Draft facility against pledge and Hypothecation to be indicated separately and total limit available.
- d) Any other relevant information.
- (iii) A certificate signed by an independent Chartered Accountant furnishing the names of any associated Units of applicant or names of any Units which any of the Directors/Partners of the applicant has any interest. In case the applicant has no associated Units, and/or none of the Directors/Partners has any interest in any other Units, they should furnish a Certificate from a Chartered Accountant to the said effect.
- (iv) Annual Report (Balance Sheet and Profit & Loss Account) for the last three financial years (i.e 2018-19, 2019-20 & 2020-21).
- (v) GST Registration Certificate (copy to be attached).
- (vi) Existing registered suppliers who are claiming same installed capacity as assessed by RFCL and whose works were inspected by RFCL within last three years shall submit a certificate to the effect that they have not reduced their manufacturing capabilities subsequent to inspection of their works by RFCL.
- vii) Existing Registered Suppliers shall also apply a fresh & submit all documents required for pre-qualification for supply of HDPE bags.
- (viii) If a partnership firm, copy of partnership deed.
- (ix) Documentary evidence in respect of the meeting the eligible criteria as per Clause No. 8 below.

- (x) If registered as MSE, copy of Registration Certificate issued by concerned authority.
- 4.0 Compensation for submission of Application:
The applicants would not be entitled to claim any cost, charges or incidentals for or in connection with the preparation of and submission of their applications, though RFCL may reject any or all the applications without assigning any reasons thereof.
- 5.0 Pre-qualification is no guarantee for placement of orders. Orders will be placed on various parties based on competitive price bid from the pre-qualified parties, which are called for from time to time.
- 6.0 Postponement of closing date:
RFCL reserve the right to postpone the closing date and / or time.
- 7.0 Pre-qualification will be valid for a period of three years, which will be at the sole discretion of RFCL. However, RFCL reserve the right to reduce the prequalification period without assigning any reason thereof or to include/delete vendors based on their performance, proven capability and for any other reason thereof.
- 8.0 **Pre-qualification Application Acceptance Criteria.**
In addition to financial soundness, the following will also form the criteria for acceptance of a Pre-qualification Application: -
- a) Only manufacturers shall be pre-qualified.
 - b) The vendors should have minimum manufacturing capacity of 8.0 lakh bags per month.
 - c) The applicant vendor should submit an undertaking (On their letterhead) to be able to supply minimum four (4) lakhs HDPE Bags per month to RFCL, if given such Order / requirement.
 - d) Parties black listed by RFCL/ Public Sector/Co-operative Sector shall not be considered for pre-qualification.
 - e) Parties de-listed by RFCL shall not be considered for pre-qualification till their delistment period is over.
 - f) Parties requesting for pre-qualification should be in the business of HDPE bags manufacturing for the last three financial years i.e. 2018-19, 2019-20 & 2020-21 and should have supplied bags (fertilizer) to Fertilizer Sector for last two financial years i.e 2019-20 & 2020-21.
 - g) Vendors should have comprehensive infrastructure facilities like extruder/tape plant, circular looms, lamination plant, stitching machines, printing machines, baling machines and quality control measures under one shed /premises.
 - h) Vendors should have uninterrupted power supply / DG set to ensure continuity of production. In case the party does not has DG set, a self-certification on letter head should be submitted by the party regarding availability of uninterrupted power supply.

- i) Only one Company out of sister concerns under the same management/group shall be considered for pre-qualification. However, more than one Unit/Plant of that concern may be considered for supply provided it meet(s) all conditions independently w.r.t. minimum capacity and all other infrastructural facilities as mentioned at clause no. 8.0(f) & (g) above. In case more than one Unit is considered for pre-qualification, the combined capacity of all such Units shall be considered as assessed capacity of that vendor.
- j) Vendors who confirm unconditional acceptance to participate in E-procurement and Reverse Auctioning Tenders shall only be considered for pre-qualification.
- j) RFCL has signed Memorandum of understanding (MOU) for implementation of Integrity Pact with Transparency International India. Only those vendors/bidders who enter in to such Integrity Pact with RFCL, qualifies to participate in the bidding process. Vendors who confirm unconditional acceptance to sign the Integrity Pact Agreement (Format enclosed) shall only be considered for pre-qualification.

SPECIFICATIONS OF HDPE BAGS

- 1.0 The bags are procured to hold UREA fertilizer, and other fertilizer/ industrial Products like Sodium Nitrate, Sodium Nitrite & Ammonium Nitrate etc.
- 2.0 The bags should be manufactured in general as per BIS specification BIS 9755:2016 as revised upto date & in particular to specifications wherever duly altered/upgraded in Notice inviting tender to be issued from time to time.
- 3.0 At present important specifications of 45 kg bags being procured are:-

(i) **Stitching:**

The bags will be bottom stitched and stitching shall be in two rows of lock/chain stitch with tape of denier 20% higher than the denier of tape of bags. Number of stitches shall be 14+/-4 per decimeter. The stitching will be uniform without any loose thread or knot. Other details are as per ISI specifications.

(ii) **Lamination:**

The fabric shall be laminated on one side with LDPE film on a lamination plant. The LDPE film of Virgin granules should be free from pin holes, porosity, batches, tear, blisters or any other visible defects. The uniform thickness of the lamination shall be 100 gauge (25 microns) minimum. The lamination will cover the entire inner area of the fabric used for manufacture of bags with minimum overlap/overhang of 5 mm. Test for lamination thickness may/may not be carried at the sole discretion of RFCL.

(iii) **Size of bags:**

UREA bags	-	930 mm x 570 mm (outside)
Tolerance	-	+30 mm and – 0 mm

(iv) **Weight, Mesh & Denier:**

- (A) Weight of finished HDPE bag for UREA size shall be as under:
UREA : 125 grams & above on average and +/- 3% tolerance on individual bag. No negative tolerance on average.
- (B) Mesh : 10 x 10
- (C) Denier : 1000

(v) **Strength Specifications:**

The breaking strength of fabric and seam breaking strength will be strictly as per IS 9755: 2016 as revised upto date as per details given below:

S. No	Characteristics	Requirement (Kgf)
i.	Breaking strength of fabric on 5.0 X 20 cm strips	
a)	Widthwise	91.8
b)	Length wise	91.8
c)	Widthwise Lamination joint	91.8
ii.	Seam breaking strength:	
a)	Bottom seam	40.8

(vi) **Ash Content:** Maximum limit of Ash Content allowed is 6%.

(vii) **Colour of Bags** : Yellow/ Any other Colour

The size, weight & other specification may change as per requirement/BIS. The detailed specifications and other terms & conditions of supply are available in NIT Documents, which is issued at the time of inviting tenders.
