ANNEXURE-1

AMENDMENT TO TENDER FOR “Hiring of Onsite Services of 3rd Party Lab to Carry out Gas Sample Analysis” at RFCL, Ramagundam.

(E-TENDER NO-RFCL-26)

1) Amendments Proposed in NIT Terms:

ADDITIONS IN SCOPE OF WORK

Clause		ADDITION
SCOPE OF WORK,	Samples to be tested will be handed over by RFCL to Contractor, is sampling bombs involved in Contractor's scope?	RFCL will submit samples and also Sampling Bombs will be supplied by RFCL only
ANNEXURE-V	Is housekeeping, sample disposal, washing of glassware part of Contractor's scope?	This is in scope of bidder and after washing glassware, sampling bombs party has to return to RFCL.

2) CLARIFICATION TO NIT TERMS:

Sr. No.	Page No.	Section No.	Clause	Query / Clarification	RFCL Response
1	15	GCC, point no. 7	10 days Mobilization Period from the date of Letter of Award	Request for one month mobilization period	Not Possible as we require services immediately
2	25	SCC, point no. 1a	Contract Period: 4 + 2 months	Request to extend duration of contract for minimum 1 year	Not Possible
3	26	SCC, point no. 15	SHORT-CLOSURE OF CONTRACT	Request for one month notice period	Not Possible
4	26	SCC, point no. 9	Price Reduction Schedule	In case of failure of equipment due to reasons beyond control, PRS should not be charged. Alternatively, Contractor shall arrange to get the sample tested at their own without any cost to Owner till the time equipment is under repair.	Not acceptable as all the samples are critical and results needed within one hour. Machine should be trouble free and in case of breakdown, party should rectify the Machine immediately or have an option for Standby Gas

					Chromatograph Machine to test the sample.
5	25	SCC, point no. 4	Delivery Period	Will furniture for equipment & storage for consumables will be provided by RFCL?	Storage only provided by RFCL
6	25	SCC, point no. 4	Food and accomodation	What are the charges for same?	Will be intimated later
7	25	SCC, point no. 1c	Payment shall be made on actual number of gas samples analyzed per day.	Please advise minimum no. of samples per day. Since there is a fixed huge cost of mobilization & demolization, request that payment should be made for minimum samples per day.	No fixed minimum samples. Payment terms shall be strictly as per NIT.
8	25	SCC, point no. 1d	The maximum number of gas samples on any day to be analysed by the Contractor would be 25	How many shifts per day? Is the analysis on round the clock basis?	Round the clock services needed
9				What is the minimum manpower required to deploy?	Vendor may decide to meet round the clock services
10				Can we test commercial samples on our GC installed in RFCL premises?	Not acceptable
11				We have an internal policy to secure approval from our Principals based in UK before Bid submission. Thus request to kindly extend bid submission by one week.	Not Possible as we require services immediately.
12				Is there any specific requirment of installing NEW GC equipment or Contractor can choose to install any running GC?	Vendor may decide and ensure the good working condition instruments to meet the analysis

					requirement as per NIT.
13				Since Contractor shall be investing in assets, request to have a payment through fixed monthly billing amount or no. of gas samples analysed, whichever is higher.	Not possible. Payment shall be made as per NIT only.
14				Reports of Gas analysis to be submitted on Contractor's letter head or to be provided in any other format?	As per vendor standard format
15				Will Contractor's personnel allowed to use the transport facility of Owner on chargeable basis?	Not possible. Vendor has to arrange their own transport
