INTEGRITY PACT

Integrity Pact (IP) is a tool developed by Transparency International (TI) to help governments, business and civil society, which are prepared to fight corruption in the field of public contracting and procurement.

Ramagundam Fertilizers and Chemicals Limited (RFCL), as one of its endeavours to maintain and foster most ethical and corruption free business environment, have decided to adopt the Integrity Pact, to ensure that all activities and transactions between the Company (RFCL) and its Counterparties (Bidders, Contractors, Vendors, Suppliers, Service Providers/Consultants etc.) are handled in a fair and transparent manner, completely free of corruption.

Integrity act is aimed at reducing corrupt practices during procurement and contracts through an agreement between the Principal (RFCL) and Counterparties. The agreement seeks commitment from the persons/officials of both the parties not to demand or accept any bribe or gift. Only those Vendors/bidders who enter into such an integrity pact with the buyer qualify to participate in the bidding process.

Integrity Pact is implemented through Independent External Monitor(s) who ensure that concerned parties comply with their respective obligations under the Integrity Pact. Two Independent External Monitor (IEMs) nominated in consultation with Central Vigilance Commission (CVC) shall monitor the activities. Any NIT/RFQ/Tender related complaint, for NIT/RFQ/Tenders covered under Integrity Pact having value of Rs. 1 (One) crore and above, may be addressed to the Independent External Monitor (IEMs) as per details given below:
