

## **Vigilance Awareness Week 2019**

Ramagundam Fertilizers and Chemicals Limited (RFCL) observed Vigilance Awareness week with the theme “Integrity – A way of Life” from 28<sup>th</sup> October 2019 to 2nd November 2019 at Project site, Ramagundam. On the first day, Pledge was administered by Vigilance Officer Shri Ramesh. All the employees were motivated to take an integrity pledge and observe prudence.

To bring awareness among the employees, a quiz was conducted which saw an enthusiastic participation by the employees. All the employees and senior management officials were present during the event and greatly appreciated the initiative. To extend the reach of the Vigilance Awareness Week campaign, mails have been circulated urging employees to take an integrity pledge online and be vigilant.

Shri Rajan Thapar, CGM – Project Site has shared his insightful views on the theme stressing on the importance of integrity and honesty in professional as well as personal lives. The session ended with Prize distribution to the winners and participants of quiz competition and ended with a vote of thanks to all the employees of RFCL who committed themselves to contributing wholeheartedly to the success of the noble cause.
